

The Oceans Action Event at COP 22

Oceans Action Day at COP 22 Marrakech, part of the Global Climate Change Agenda

12 November 2016 • Blue Zone (9:30–21:00)

INVITATION

Building on COP 21 progress, the **Oceans Action Event at COP 22, part of the Global Climate Action Agenda**, will feature high-level political leaders from around the world, international agencies, NGOs, technical/policy experts, and private sector representatives to showcase how the world is tackling climate change impacts on oceans, seas, and coastal and island populations. The purpose is to review initiatives launched at COP 21 as part of the Lima-Paris Action Agenda, announce new initiatives, with multi-national and multi-stakeholder contributions to the solution space.

Space is very limited. Please pre-register at <https://globaloceanforum.com/>
